

Design Approval — Departmental Sign-off

For completion & execution by the concerned department, HPSEDC

Project: Overseas Placement Portal & Mobile Application (HPSEDC) — *HireStream* **Vendor:** M/s HTIS Telecom Private Limited, Mohali **Work Order:** HPSEDC-SOFT/08/2025 (E-File No. 287782), dated 13.01.2026 **RFE:** SEDC/Software-EMP/2K24-22560 **Milestone:** Payment Term 1 — Approval of design (SRS/FRS) — **40%** (₹1,77,000 of ₹4,42,500 incl. GST)

1 Purpose of this sign-off

This sheet records the **design approval** of the Overseas Placement Portal & Mobile Application by the concerned department of HPSEDC, based on the Software Requirements Specification (SRS) / System Design Document submitted by M/s HTIS Telecom Private Limited, in fulfilment of **Payment Term 1** of the Work Order and as the "duly verified" document required for release of payment.

2 Documents reviewed

#	Document	Reviewed (✓)
1	SRS / System Design Document (v1.0)	☐
2	Requirements Traceability Matrix (within SRS §10)	☐
3	Functional Requirements Specification (FRS) — basis	☐
4	Forwarding letter from HTIS Telecom	☐

3 Design-approval checklist (verified by the department)

#	Verification item	Approved	Remarks
1	System architecture & technology design are sound and appropriate	☐	
2	All FRS functional requirements are covered by the design (RTM)	☐	
3	User roles & module design match FRS §2.2	☐	
4	All FRS workflows (§2.3–§2.7) are designed correctly	☐	
5	UI/UX design is responsive, bilingual, and GIGW-accessible	☐	
6	External-interface design (SSO/UIDAI/DigiLocker/Email/SMS) is acceptable (HPSEDC-side credentials pending)	☐	
7	Non-functional design (performance, security, scalability, reliability) is adequate	☐	

#	Verification item	Approved	Remarks
8	Standards & compliance approach (GIGW, data protection, security audit) is acceptable	☐	

4 Decision

- ☐ **Design Approved** — design accepted; vendor may proceed and the 40% installment is recommended for release.
- ☐ **Approved with observations** — design accepted subject to the remarks above.
- ☐ **Returned for revision** — see remarks.

Overall remarks / observations:

5 Departmental authorisation

Role	Name	Signature	Date	Seal
Reviewing Officer (concerned dept.)				
Verifying Officer				
Data Controller, HPSEDC				

This signed sheet, together with the vendor's bill and the submitted SRS package, constitutes the verified deliverable for release of the first 40% installment under the Work Order.
